

# TENT CARDS AND VOTING BALLOTS

The tent cards and voting ballots are used to select the most relevant Reasons cards when playing with a small group or a large group. You can choose between the tent cards and the voting ballots – it's up to you!

Option 1: If you choose the voting ballots (small size), cut out enough tokens for each participant (at least 3 per person).

Option 2: If you choose the tent cards, cut out 10, fold them in 2 and put them on the table.
