PSADER – PENAP Program (2010-2016)

Peri-urban Farmland protection and agricultural development

more on: <http://www.psader-penap.org>

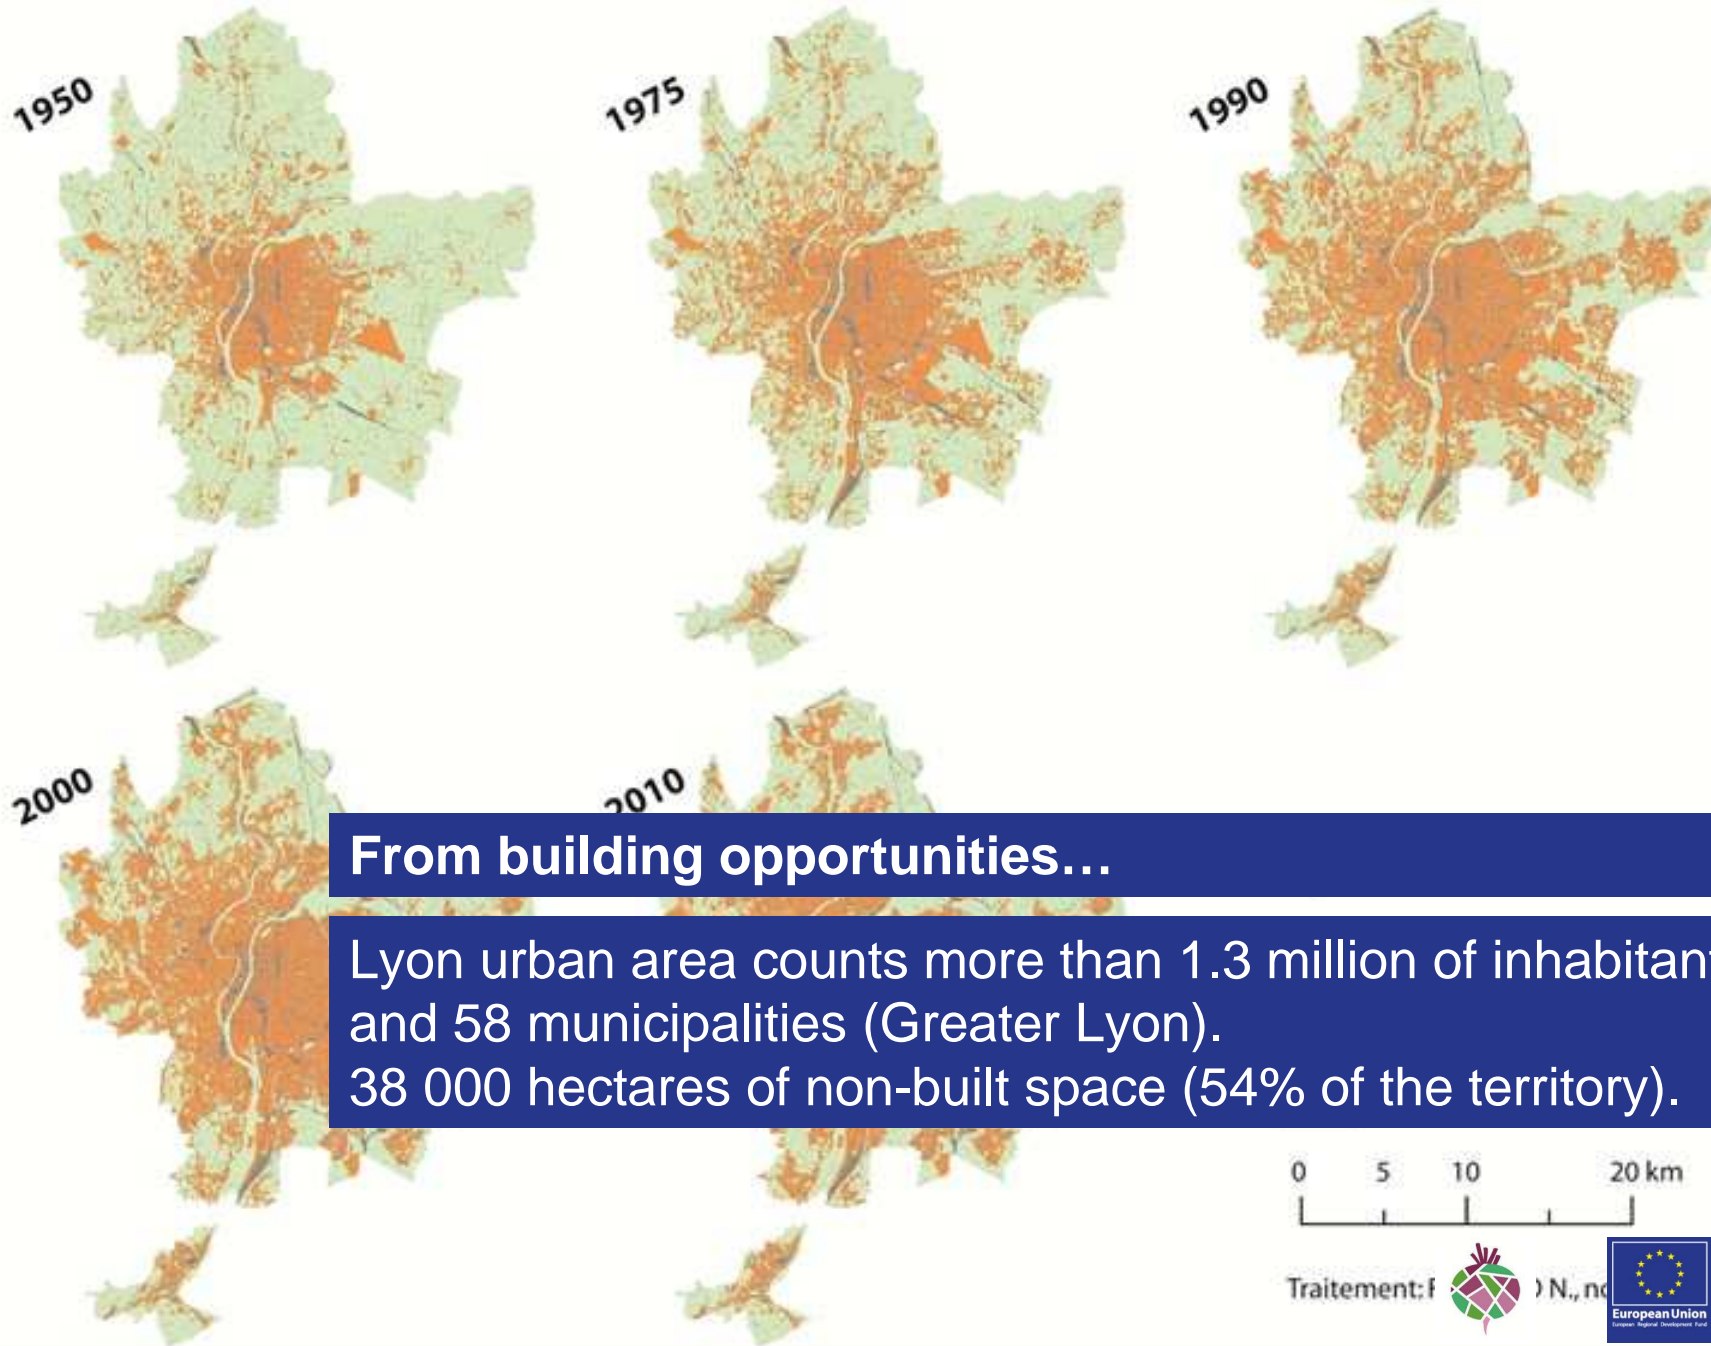

Different ways to consider the land

French administrative geography :
State > Régions (Rhône-Alpes) > Départements (Rhône) >
Urban Communities (Grand Lyon) > cities (Lyon)

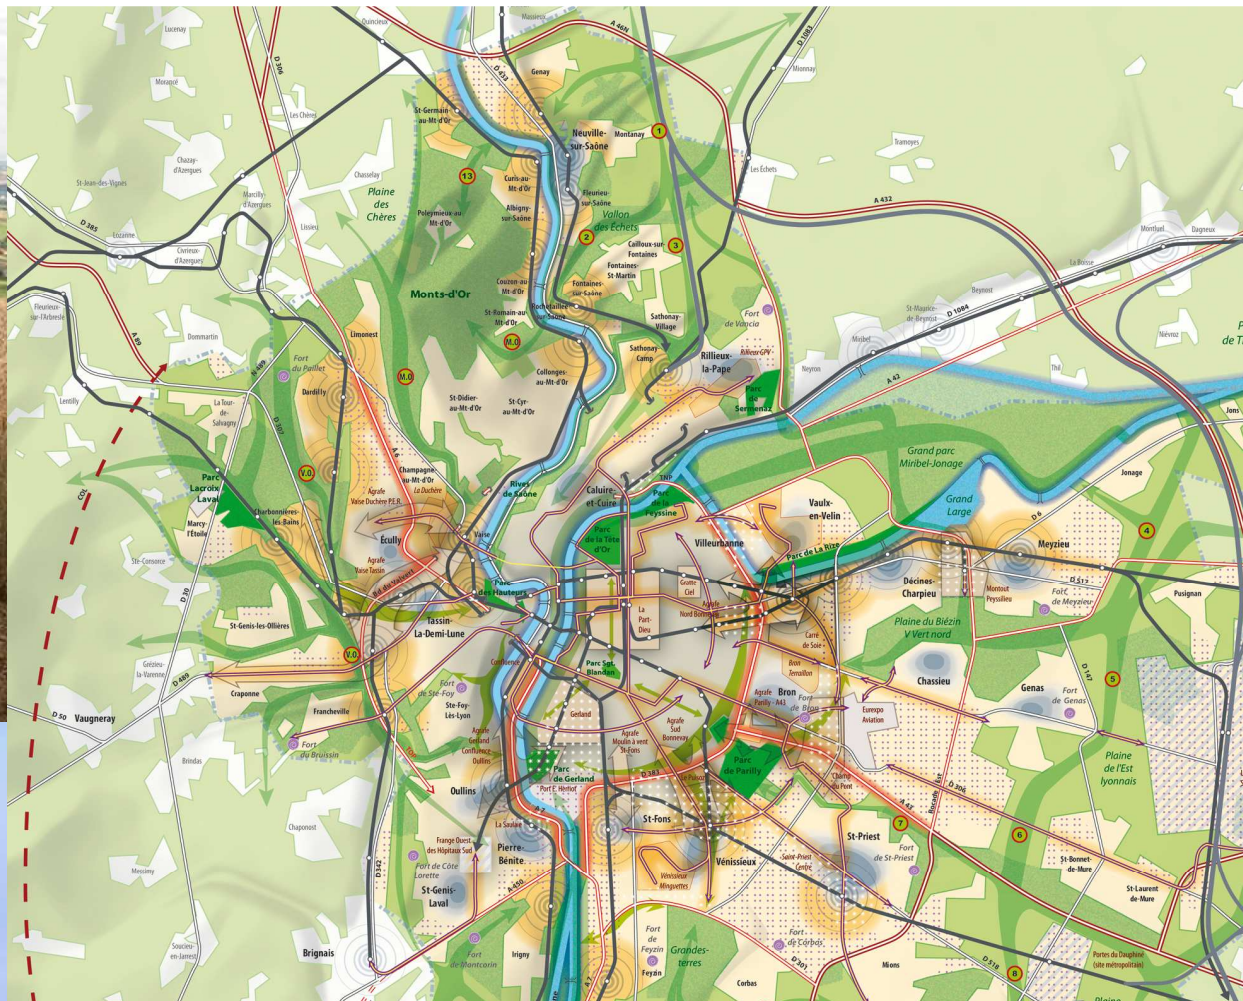

Expansion urbaine de l'agglomération lyonnaise de 1950 à 2010

From building opportunities...

Lyon urban area counts more than 1.3 million of inhabitants and 58 municipalities (Greater Lyon).

38 000 hectares of non-built space (54% of the territory).

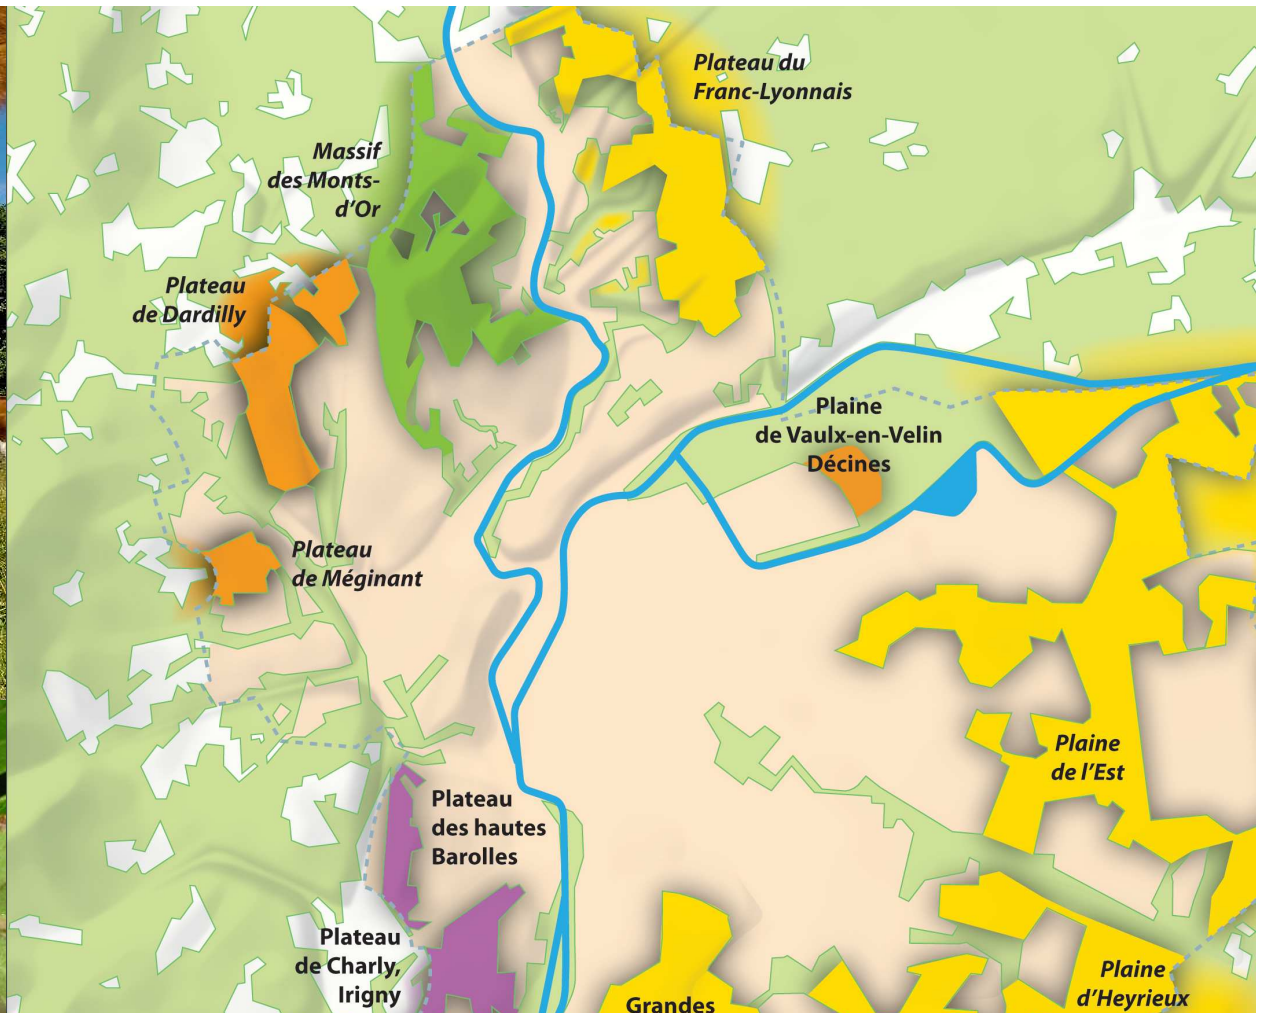

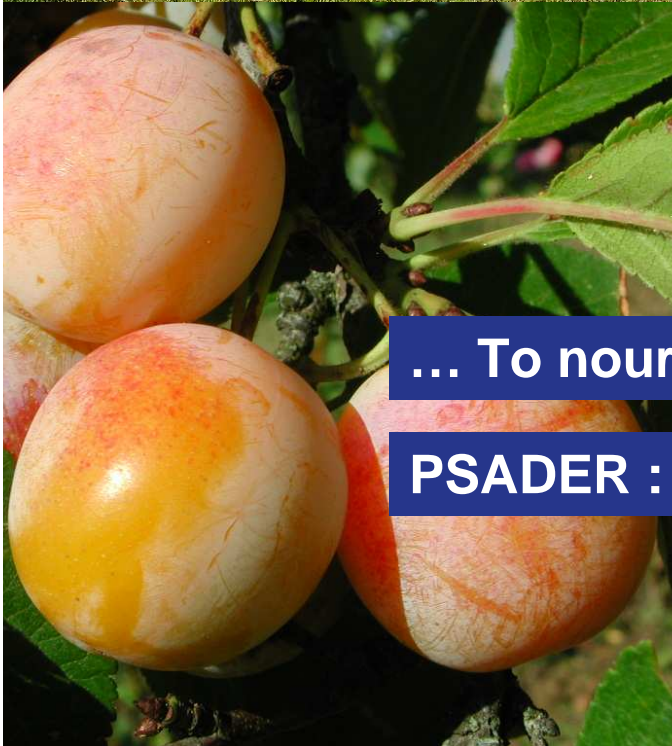

... To business and leisure activities ...

PENAP : Natural and agricultural areas protection perimeter
72 Cities are sharing urban-planning tools & strategy

Kilomètres

... To nourishing perspective !

PSADER : regional strategy for agricultural development

Land protection (30y) + Action (4 M€ funding) =

- maintain the farming and natural areas around Lyon
- improve links between urban and rural communities
- protect and promote natural spaces, biodiversity and resources
